

General Sales Conditions

Last Revision: 02/12/2013

All information, documents and products provided by VinotekaSoft on this website are part of the general conditions. While reaching our website, you do agree with all these conditions as they appear. VinotekaSoft can without notice and at any time change and modify these general sales conditions.

1 - Description of the software Vinoteka Mac

Vinoteka Mac is a wine and cellar management software specially designed for the Mac platform provided by Apple, for the operating systems Mac OS X (versions: Mac OS X 10.6 Snow Leopard, Mac OS X 10.7 Lion and Mac OS X 10.8 Mountain Lion). This software is sold for 49,99€, \$54,99 or £37,99.

Vinoteka Mac is also available as a free trial version, available on Vinotekasoftware's website.

2 - Pricing of Vinoteka Mac

The prices mentioned on VinotekaSoft's website are the valid purchasing prices. They are stipulated and billed in 3 different currencies: the Euro (€), the U.S. Dollar (\$) and the British Pound (£).

These prices are meant all Czech taxes included (VAT included).

If you are a European VAT payer (a professional), please do contact us before you purchase one or several licenses of Vinoteka. We'll send you a payment request corresponding to the amount without VAT, as well as a corresponding bill for your accounting.

3 - Payment conditions

We do accept online payments by payment cards such as Visa, Master Card, Visa Electron et other payment cards. The payment is provided by Paypal on a secure server, which offers complete security and confidentiality.

4 - Conditions of use

VinotekaSoft keeps the right to modify its software, to publish new versions, to modify the features and all other characteristics of the software without notice.

5 - Limitation of liability

The wine and cellar management software Vinoteka is a software sold "AS IT IS" without any sort of warranty. VinotekaSoft cannot be held responsible for direct or indirect damages, specific trouble such as the loss of data contained in the application, or any other trouble encountered during the use of it.

Even though we do our best to fix bugs, losses and improve the software as quickly as possible by publishing major and minor versions, we cannot guarantee that Vinoteka will

always be available and working perfectly (as we cannot guarantee that information given on this website by VinotekaSoft will always be up-to-date or complete).

Each user of Vinoteka is responsible for taking care of protecting the data he/she entered in the applicaiton, by backuping as often and necessary as possible his/her database from the software Vinoteka (especially before the installation of a new update). Each user is also responsible for the his/her use of Vinoteka and the company VinotekaSoft cannot be held reponsible for any complaint against it.

5 - Use rights

Software and applications are protected by the international laws protecting the copyrights. Software retailing does not involve the transfer of reproduction rights, use and exploitation rights.

6 - Applicable law

These conditions and any litigation are submitted to the Czech law.
